INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Seven Oaks General Hospital

Opinion

We have audited the schedule of compensation for the Manitoba Public Sector Compensation Disclosure Act of the Seven Oaks General Hospital (the "Hospital") for the year ended December 31, 2019 ("the schedule").

In our opinion, the financial information in the schedule of the Hospital for the year ended December 31, 2019 is prepared, in all material respects, in accordance with Section 2 of *The Public Sector Compensation Disclosure Act.*

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities* for the Audit of the Schedule section of our report. We are independent of the Hospital in accordance with the ethical requirements that are relevant to our audit of the schedule in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to the notes of the schedule, which describes the basis of accounting. The schedule is prepared to assist the Hospital to meet the requirements of Section 2 of *The Public Sector Compensation Disclosure Act*. As a result, the schedule may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Other Matters

The schedule was prepared to comply with Section 2 of *The Public Sector Compensation Disclosure Act* as in effect as at December 31, 2019.

Responsibilities of Management and Those Charged with Governance for the Schedule

Management is responsible for the preparation of this schedule in accordance with Section 2 of *The Public Sector Compensation Disclosure Act* and for such internal control as management determines is necessary to enable the preparation of the schedule that is free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the Hospital's financial reporting process.

Auditor's Responsibilities for the Audit of the Schedule

Our objectives are to obtain reasonable assurance about whether the schedule is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial information.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the schedule, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain
 audit evidence that is sufficient and appropriate to provide a basis for our opinion. The
 risk of not detecting a material misstatement resulting from fraud is higher than for one
 resulting from error, as fraud may involve collusion, forgery, intentional omissions,
 misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of the Hospital's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes:

1. The compensation amount is calculated in accordance with the requirements of section 2 of the Manitoba Public Sector Compensation Disclosure Act as in effect as at December 31, 2019. Compensation includes all salaries and allowances, overtime payments, retirement or severance payments, lump sum payments, vacation pay-outs, retroactive payments and taxable benefits and bursaries. For the purposes of this report, compensation includes amounts paid to individuals who are employees of Seven Oaks General Hospital but are seconded to other organizations, regardless of whether those costs are recovered from another organization. This report does not include any payments made to other organizations to reimburse them for the compensation paid to their employees undertaking Seven Oaks General Hospital activities or duties.

Section 2 of the Manitoba Public Sector Compensation Disclosure Act requires public sector bodies to disclose:
